

# Conference Agenda November 16th

08:30	Doors Open. Registration, Refreshments, Networking and Exhibition		
09:00	Welcome, Jone Kristensen, Nordic Business Unit Director, Intergraph		
09:10	C1 - Intergraph 2010, Kevin Holmes, Vice President North Western Europe, Intergraph		
09:30	C2 - Sponsor Presentations, CAXperts, Leica, Z+F, Trimble, Desurvey		
10:00	C3 - Best Practices Integrated SPO/SPE Project Deployment & Execution for Major Global Projects, Phil Wright, Project Engineering Services Manager, WorleyParsons Europe Ltd.		
10:45	Break		
11:00	C4 - Delivering Engineering Enterprise Value: An Offshore Example, Frank Joop and the PP&M Team		
11:40	Networking Lunch and Exhibition		
	<b>Breakout Session Tracks</b>		
	<b>EPC</b>	<b>Project Execution &amp; OO</b>	<b>Product Updates</b>
12:30	E1 Integration of Smart 3D with CAESAR II. Answering the Challenge of Design and Engineering Collaboration, Ken Migas, Regional Manager, Europe, Intergraph	O1 SmartPlant Enterprise for Owner/ Operators, Reducing costs and risks in CAPEX Projects with improved Project Execution processes - Adrian Park, Global Executive Director, owner operator solutions	P1 SmartPlant Reference Data and Smart-Plant Materials, Chris Why, Business Development Director – Intergraph EMIA
13:15	Break (five min to find your next track)		
13:20	E2 Isometrics Solutions for the complete Lifecycle, Paul Martin, Business Development Manager, Piping Solutions, Intergraph UK	O2 Interface Management on Complex Mega Projects Phil Wright, WorleyParsons	P2 Engineering and Schematics, product update, Frank Joop, Executive Director Global Business Development & Diego Lopez, Business Development Consultant, Intergraph
14:05	Break (ten min to find your next track and to find some refreshments)		
14:15	E3 Integration of Laser Scanning with Smart 3D, Robert Christian, Executive Manager, 3D Visualization Product Owner, Intergraph	O3 SmartPlant Enterprise for O/Os, Improving plant efficiency, reliability and reducing OPEX costs - Adrian Park	
15:00	Break and Exhibition		
15:30	E4 High Efficiency and Cost Savings in I&E Engineering with SmartPlant Electrical Detailed Powered by SIGGRAPH.CAE Frank Joop & Diego Lopez	O4 Join Gassco's journey into the Smart Plant World, Aase Soland Bjelland, Principal engineer -Technical Information and LCI in Gassco	P3 Smart 3D, product update Robert Christian, Business Development Manager EMIA, SmartPlant 3D and Layout, Intergraph
16:15	E5 Safety in the Engineering Enterprise, Frank Joop & Diego Lopez	O5 High-quality Plant Asset Data Handover – Validation, Transformation & Loading Solution/Exploiting an Integrated SmartPlant Environment in CAPEX & OPEX Plan Life-cycle Phases, Adrian Park and Tom Arsenovic, VP EMIA Services Coordination & Business Development, Intergraph	
17:00	Conference Close day one		
19:00	Dinner and Entertainment - meeting point hotel reception		

# Conference Agenda November 17th

08:30	Doors Open. Registration, Refreshments, Networking and Exhibition		
09:00	C4 SmartPlant Enterprise in Grenland Group - The New Vision with SPE Core, Tonia Pedersen and Terje Ørbeck, Grenland Group		
09:45	C5 Vår skapende hjerne, Alte Gundersen, Inovator		
10:50	Break		
	<b>Breakout Session Tracks</b>		
	<b>EPC</b>	<b>Project Execution &amp; OO</b>	<b>Product Updates / Process safety</b>
11:00	E7 Smart3D Automation – 3D data browsing, Darren Litherland, CAD Administrator, Grenland Group	07 Effective collaboration & workshare in 3D design - benefits and case studies, Robert Christian	P6 SmartPlant Construction Product Update Chris Why
11:45	E8 Site-based Isometric Workflows for Design, Operation & Maintenance, Paul Martin	08 Integrated Construction Planning with SmartPlant Construction 2010, Chris Why	P7 Build on your Intergraph investment to power process safety, John de Brugha, Hazid
12:30	C6 Summing up the conference tracks, including step-change in capabilities that the SPE enables, improved safety – by building operational and design rules, behavior and validation into the engineering tools, SPE enables safety measures/improvements/assurance to be tightly integrated with day-to-day work offering safer and lower cost plant, Kevin Holmes		
12:50	Networking Lunch and Exhibition - some of our experts will be available from lunch till conference closing.		
	<b>TUF</b>	<b>TUF</b>	<b>TUF</b>
13:30	Process and Engineering, Technical User Forum, Aino Irene Jensen, Haldor Topsøe	3D Technical User Forum, Terje Ørbeck, Grenland Group <ul style="list-style-type: none"> <li>• Åpning av møte m/valg av møteleder og referent</li> <li>• TEMA:</li> <li>• System administration SP3D , Reference Data/Catalog v/ Charlotte Hybsmann Jacobsen</li> <li>• Smart3D til PDMS v/ Darren Litherland/Terje Ørbeck</li> <li>• Valg</li> <li>• Åpen diskusjon</li> <li>• Eventuelt</li> </ul>	Instrumentation and Electrical, Technical User Forum, Kent Hamre, Grenland Group
16:00	Conference Close
