

Conference Agenda

	November 11 - Day one		
08:40	Doors Open. Registration, Refreshments, Networking and Exhibition		
09:10	Welcome, Opening the Conference, Aimo Eerikäinen, MD, Intergraph Finland		
09:15	C1 Intergraph 2010, Jone Kristensen, Nordic Business Unit Director, Intergraph		
09:45	C2 Best Practices Integrated SPO/SPE Project Deployment & Execution for Major Global Projects, Phil Wright, Project Engineering Services Manager, WorleyParsons Europe Ltd.		
10:30	C3 Partner Presentations, CAXperts, Z+F UK and maybe more		
10:50	Break		
	Breakout Session Tracks		
	EPC & Updates	Project Execution & OO	
11:00	E1 Engineering and Schematics Solutions: Now and Next in Productivity - Frank Joop	O1 SmartPlant Enterprise for Owner/Operators, Reducing costs and risks in CAPEX Projects with improved Project Execution processes - Adrian Park	
11:30	E2 Engineering and Schematic in Operations - Frank Joop begins at 11:45	O2 Interface Management on Complex Mega Projects Phil Wright, WorleyParsons	
11:50	E3 Extended SmartPlant Electrical Solutions - Frank Joop begins at 12:10	O3 SmartPlant Enterprise for O/Os, Improving plant efficiency, reliability and reducing OPEX costs - Adrian Park	
12:30	Networking Lunch and Exhibition		
	EPC & Updates	Project Execution & OO	
13:30	E4 SP3D Product update - David Whittle	O4 SmartPlant Construction, Johan Kroon	
14:15	E5 SmartPlant Foundation ja integraatio – lisää tuottavuutta, Seppo Turunen	O5 Safety in the Engineering Enterprise - Frank Joop	
15:00	Break and Exhibition		
15:20	E6 SmartPlant Materials, Johan Kroon	O6 SmartPlant Foundation use on Neste Oil Singapore and Rotterdam plants - Markku Eerikäinen, Neste Jacobs Oy	
16:05	E7 CAESAR II – Answering the Challenge of Design and Engineering Collaboration - William Rasco, Coade	O7 Integration of LaserScanning with SmartPlant 3D - Robert Christian	
16:50	Break		
17:00	Visiting demo area, partner exhibition		
19:30	Dinner		
	November 12 - Day two		
	Technical User Forum	Technical User Forum	Technical User Forum
09:00	Process and Engineering, Tero Lievonen <ul style="list-style-type: none"> Pöyryn SP PID käyttökokemuksia, Tuomo Keskitalo SP PID Project - as built ympäristössä, Tero Lievonen Yleistä käyttökokemusten vaihtoa 	3D Design, Henri Karhunen <ul style="list-style-type: none"> laserkeilaus ja 3D Christian Robert SmartPlant Review 2010 and the future Q/A Point Cloud 	Electrical and Instrumentation, Toni Leppänen <ul style="list-style-type: none"> Get together
11:30	Lunch and Conference Closing
