

To apply for the Intergraph® Process, Power & Marine Education Grant, please complete this application and attach the syllabus of the course(s) where Intergraph technology will be implemented.

Grant recipients are required to submit a minimum of two detailed teaching materials, showing the use of Intergraph technology, within 24 months of receipt of software. This form may also be used to submit these teaching materials.

Please e-mail the completed document to education@intergraph.com.

A. Educational Institution Contact Information

Institution Name	
Address	
Address	
Phone	
Fax	
E-mail	
Web Site	

Name of Instructor (Person who will be the main instructor incorporating Intergraph technology into the institution's courses.)	
Title	
Address (if different from above)	
Address	
Phone	
Fax	
E-mail	

Name of Contract Administrator (Must be a representative of the educational institution with power to legally bind institution to a contract.)

Title	
Address (if different from above)	
Address	
Phone	
Fax	
E-mail	

Name of Technical Support Administrator (Person at educational institution responsible for internal software administration and support. This person would likely receive shipment of the software.)

Title	
Address (if different from above)	
Address	
Phone	
Fax	
E-mail	

B. Intergraph PP&M Software Products You Are Interested In? (enter number of licenses for all that apply):

PDS®	How many licenses?	
SmartPlant® 3D	How many licenses?	
SmartPlant Electrical	How many licenses?	
SmartPlant Instrumentation	How many licenses?	
SmartPlant P&ID	How many licenses?	
SmartPlant Review	How many licenses?	
SmartSketch®	How many licenses?	
Other – Specify	How many licenses?	

Institution has reviewed and met hardware and software prerequisites for requested Intergraph software (write yes or no) _____

C. Engineering or Technical Degree Programs Your Educational Institution Offers (mark "x" for all that apply):

Aerospace	Coastal	Industrial	Petroleum	
Applied Science	Computer Science	Management Information Systems	Physics	
Architectural	Construction	Manufacturing	Plasma	
Astronautical	Electrical	Marine	Polymer	
Automotive	Environment	Materials	Power	
Avionics	Ergonomics	Mechanical	Radiological	
Bio-Mechanical	Facility	Mechatronics	Software	

Biomedical	Fire Protection	Metallurgical	Space Science
Bioresource	Food Processing	Microelectronics	Systems
Biosystems & Agricultural	Forest	Mineral Resources	Telecommunications
Brewing Science	Fuels	Mining	Textile & Fiber
Cell & Tissue	Geological	Nuclear	Transportation
Ceramic	Geosystems	Oceanographic	Water Resource
Chemical	Hydrodynamics	Operations	Other (list)
Civil	Illuminating & Sound	Paper & Pulp	Other (list)

D. Course Information

List the course name(s) and description(s) and explain how you intend to incorporate Intergraph PP&M products:

1. Course name	
Course description (can attach description from course catalog)	
Expected times course to be offered per year	
Approximate number of students per year	
Intergraph PP&M product(s) to be used	
Explanation of how the product(s) will be used	

2. Course name	
Course description (can attach description from course catalog)	
Expected times course to be offered per year	
Approximate number of students per year	
Intergraph PP&M product(s) to be used	
Explanation of how the product(s) will be used	

For more course descriptions, please continue on another form.

E. If you are also providing teaching materials, for example, Microsoft® PowerPoint® slides, lab exercises, or lesson plans, please complete the section below as applicable.

1. Course Name	
Title of teaching material	
A brief description of the objective / content of the material	
Language	
Teaching material category (what objective does this lesson plan cover)	
User level	Beginner ____ Intermediate ____ Advanced ____
Intergraph software used	
Name of file for upload (Must be in PDF or PowerPoint format)	

2. Course Name	
Title of teaching material	
A brief description of the objective / content of the material	
Language	
Teaching material category (what objective does this lesson plan cover)	
User level	Beginner ____ Intermediate ____ Advanced ____
Intergraph software used	
Name of file for upload (Must be in PDF or PowerPoint format)	

If you have more files to submit, please continue on another form.
