

Deadline: August 10, 2010

## 2010 Platinum Pipe Awards Competition Entry Form

All contest entries must be automations developed to interact with SmartPlant® 3D or SmartMarine® 3D (collectively known as Smart 3D). An automation is defined as code that is executed in conjunction with the Smart 3D API to interact with the Smart 3D model at object level to create or modify data within the Smart 3D model.

**Please be sure to provide full and complete street address mailing information for prize shipment.**
